### Pay less bank fees! Earn more interest!

A cash management account (CMA) provides security of capital and easy access to cash while offering a competitive interest rate, compared to regular transaction accounts. It also provides excellent reporting.

The CMA we can offer you provides:

- 1.65% per annum variable interest rate, calculated daily and paid monthly.
- Fee free banking! No monthly fees! If operated correctly, no transaction fees!
- Coverage under the Financial Claims Scheme up to \$250,000.
- For self managed super funds - Electronic Service Address (ESA) that complies with SuperStream at no charge.
- Online flexibility and control. Use the internet to make and keep track of transactions to and from your account. View your available balance and statements online for free, including historical statements.
- Easy deposits. Use BPay or bank transfer to make deposits for free. Alternatively, deposit cheques for free at our reception desk or through any branch of the National Australia Bank (NAB) by using your free personalised deposit book.
- Easy withdrawals. Free BPay. Free online transfers to any Australian bank. Free regular withdrawals to any nominated Australian bank. Personalised cheque book (if requested).
- Exceptional telephone service. No automated machines! Speak to a real person every time! Specialist cash management staff renowned for their efficient and friendly service.
- Adviser access. Unlike most banks, we can access information and statements on your account and all administration forms, helping us to assist you in management of your affairs. Please note we cannot transact on your account without your authority.

Take the first step today by talking to one of our advisers. They can tell you more about the CMA and, when you're ready, can set up an account for you with no fuss.
